LINEAGE - STASNEY, STASTNY

The research completed thus far is the endeavorment of John J. Stastny, shared with us at this time by his daughter, Mrs. Lucille Galloway of Woods Cross, Utah.

The first known continuing Stastny family is that of VACIAV STASTNY of Prague, Picek County, now Czechoslovakia - where he lived and died. 1816 - 1894. He married MARIE ENDRSTOVA (1820-1893) and together they raised a family consisting of James, Charles, Annie, Mary, and Tony. The children established the first generation in America.

The systematic numbering then will begin with James, and only his line is included at this time...due to incomplete information.
