LINEAGE - KOPET

Jan and Anna Kopet lived and died in Pisek County, Bohemia. Claimed by death, they left two young daughters who nobly earned their passage to America. The eldest daughter Kathryn wrote that she was born in Czechoslovakia, 1848 and with younger sister, Elizabeth (later Stastny) were left parentless in my seventh year, began working for strangers from 11th birthday for nine years, then left for America and Cleveland.

A notation written on another piece of paper is:

Elizabeth Kopet - 19 November, 1852

Jan Kopet, 60 Kopnut Mrsenec County Pisek, Bohemia

Anna Kopet, 30 T.B.

(Possible ages at death, the mother died of tuberculosis.)

A CHAPTER COMPLETED

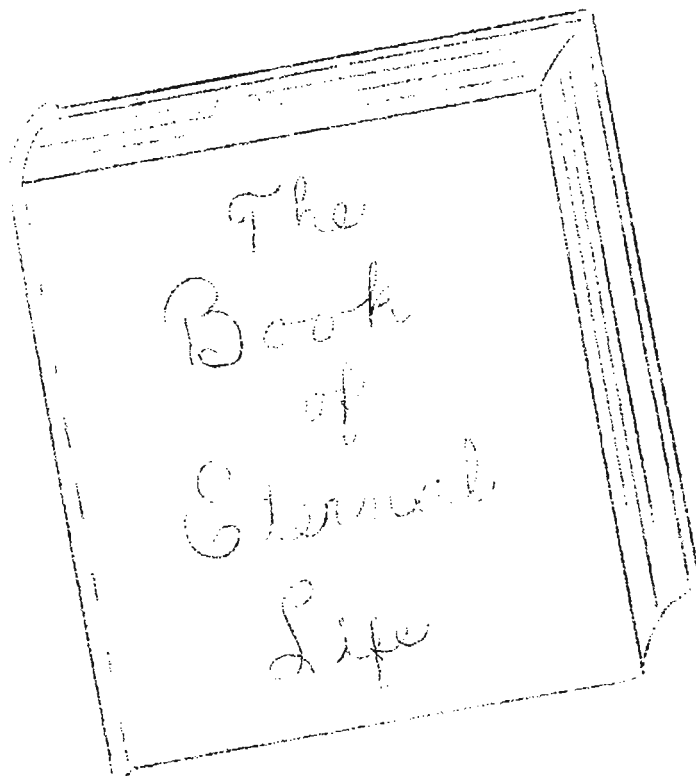

A special day set aside for remembering departed loved ones brought everyone out to the Decoration Day ceremony at the Little Heart Hall. Member Charles Stastny would address his fraternal brothers and sisters in Bohemian with words suitable to the occasion. Followed by the Bohemian Brass Band, he escorted the group across the road to the St. John's Cemetery, to finalize the ritual.

Freshly shed of winter snows, this resting place came to life with mixed bouquets of brilliant hand-crafted crepe paper flowers and fresh wild flowers. Miniature American flags honored veterans. No one's grave was forgotten to be decorated.

Despite all the hours of toiling the broad prairies, there was always time for moments of reverence in this sometimes lonely land.

May peace be ours in knowing that the loved ones who have gone before us have completed but one chapter in -

EPILOGUE

Special thanks to my husband and family who granted me the time away from household activities to fulfill this thrilling experience as 'author' of this publication.

Thank you families, past and present for vintage memories -----

And to new and future generations -----

Reach out.....Life is yours.
